

真题单词 – 固定词组搭配

更新日期 2018-10-09 题目数量 2468

- | | | |
|----------------------------|--------------------------------|-----------------------------|
| 1. abstract concept | 37. (be) actively involved | 73. analytical tool |
| 2. academic achievement | 38. acutely aware | 74. anecdotal evidence |
| 3. academic career | 39. add information | 75. annual conference |
| 4. (in) academic circles | 40. additional cost | 76. annual meeting |
| 5. academic community | 41. additional information | 77. annual rate |
| 6. academic debate | 42. additional problem | 78. annual report |
| 7. academic discipline | 43. additional resources | 79. annual review |
| 8. academic discourse | 44. additional support | 80. apply equally |
| 9. academic institution | 45. address (an) issue | 81. apply (a) method |
| 10. academic journal | 46. administrative practices | 82. apply (the) theory |
| 11. academic life | 47. adopt (a) procedure | 83. appropriate action |
| 12. academic performance | 48. adopt (an) approach | 84. appropriate behaviour |
| 13. academic research | 49. advanced economy | 85. appropriate conditions |
| 14. academic skills | 50. advanced technology | 86. appropriate data |
| 15. academic study | 51. adverse effect | 87. appropriate form |
| 16. academic success | 52. adverse reaction | 88. appropriate language |
| 17. academic work | 53. adversely affect | 89. appropriate level |
| 18. academic world | 54. affect (the) outcome | 90. appropriate point |
| 19. academic writing | 55. affect (the) development | 91. appropriate response |
| 20. academic year | 56. allocate resources | 92. appropriate skills |
| 21. accept responsibility | 57. allow access | 93. appropriate treatment |
| 22. acceptable behaviour | 58. almost identical | 94. appropriate way |
| 23. accurate assessment | 59. alternative approach | 95. armed conflict |
| 24. accurate description | 60. alternative explanation | 96. artificial intelligence |
| 25. accurate information | 61. alternative form | 97. assess (the) impact |
| 26. accurate measurement | 62. alternative interpretation | 98. assessment process |
| 27. accurate picture | 63. alternative means | 99. associated factors |
| 28. accurate record | 64. alternative method | 100. assume responsibility |
| 29. achieve (a) goal | 65. alternative model | 101. assume (the) role |
| 30. achieve (an) objective | 66. alternative solution | 102. atomic energy |
| 31. achieve (an) outcome | 67. alternative source | 103. attend (a) conference |
| 32. acquire knowledge | 68. alternative strategy | 104. available data |
| 33. active involvement | 69. alternative view | 105. available evidence |
| 34. active participant | 70. alternative way | 106. available information |
| 35. active participation | 71. ample evidence | 107. available resources |
| 36. active role | 72. analytical approach | 108. average score |

单词 – 固定词组搭配

- | | | |
|---------------------------|--------------------------------|------------------------------|
| 109. background knowledge | 149. brief overview | 189. central concept |
| 110. basic assumption | 150. brief period | 190. central concern |
| 111. basic component | 151. brief review | 191. central control |
| 112. basic concept | 152. brief summary | 192. central core |
| 113. basic element | 153. brief time | 193. central feature |
| 114. basic function | 154. briefly describe | 194. central focus |
| 115. basic information | 155. briefly discuss | 195. central government |
| 116. basic premise | 156. broad agreement | 196. central importance |
| 117. basic principle | 157. broad category | 197. central issue |
| 118. basic research | 158. broad definition | 198. central part |
| 119. basic structure | 159. a broad range | 199. central point |
| 120. basic technique | 160. broad spectrum | 200. central position |
| 121. bear resemblance | 161. broader context | 201. central problem |
| 122. become apparent | 162. (be) broadly defined | 202. central question |
| 123. become available | 163. broadly similar | 203. central role |
| 124. become aware | 164. business sector | 204. central tenet |
| 125. become blurred | 165. business transaction | 205. central theme |
| 126. become established | 166. capitalist country | 206. certain aspect |
| 127. become evident | 167. capitalist economy | 207. certain assumptions |
| 128. become independent | 168. capitalist society | 208. certain characteristics |
| 129. become involved | 169. capitalist system | 209. certain circumstances |
| 130. become obvious | 170. capitalist world | 210. change constantly |
| 131. become visible | 171. career development | 211. change dramatically |
| 132. become widespread | 172. career opportunity | 212. change rapidly |
| 133. become (a) source | 173. careful analysis | 213. change (an) attitude |
| 134. become (the) focus | 174. careful attention | 214. changing attitudes |
| 135. begin (a) process | 175. careful consideration | 215. changing circumstances |
| 136. behave differently | 176. careful thought | 216. changing nature |
| 137. beneficial effect | 177. (be) carefully controlled | 217. changing needs |
| 138. (be) best described | 178. (be) carefully selected | 218. changing pattern |
| 139. binary opposition | 179. carry information | 219. changing world |
| 140. binary system | 180. carry out research | 220. characteristic feature |
| 141. biological evolution | 181. carry out (the) task | 221. chemical reaction |
| 142. biological science | 182. cast doubt | 222. civil case |
| 143. biological sex | 183. causal link | 223. civil society |
| 144. brief account | 184. causal relation | 224. class consciousness |
| 145. brief description | 185. causal relationship | 225. classic example |
| 146. brief discussion | 186. cause consequences | 226. classic study |
| 147. brief history | 187. cause stress | 227. classic text |
| 148. brief introduction | 188. central authority | 228. classic work |

单词 – 固定词组搭配

- | | | |
|------------------------------------|--------------------------------|----------------------------------|
| 229. classical theory | 269. collective action | 309. complex area |
| 230. clear boundary | 270. collective identity | 310. complex interaction |
| 231. clear distinction | 271. collective memory | 311. complex issue |
| 232. clear evidence | 272. combined effect | 312. complex pattern |
| 233. clear focus | 273. come into conflict | 313. complex problem |
| 234. clear indication | 274. come into contact | 314. complex process |
| 235. clear relationship | 275. commercial activity | 315. complex question |
| 236. clear statement | 276. commercial transaction | 316. complex relationship |
| 237. clear structure | 277. commit (a) crime | 317. complex set |
| 238. (be) clearly defined | 278. commit (an) offence | 318. complex situation |
| 239. (be) clearly demonstrated | 279. common ancestor | 319. complex structure |
| 240. (be) clearly established | 280. common approach | 320. complex system |
| 241. clearly evident | 281. common assumption | 321. comprehensive account |
| 242. (be) clearly identified | 282. common characteristic | 322. comprehensive approach |
| 243. clearly important | 283. common culture | 323. comprehensive overview |
| 244. (be) clearly related | 284. common error | 324. comprehensive review |
| 245. clearly understand | 285. common feature | 325. comprehensive system |
| 246. clearly visible | 286. common goal | 326. conceptual framework |
| 247. climate change | 287. common method | 327. concerted effort |
| 248. climatic conditions | 288. common source | 328. concluding remarks |
| 249. close contact | 289. common theme | 329. concluding section |
| 250. close proximity | 290. common usage | 330. conditional probability |
| 251. close relationship | 291. (be) commonly accepted | 331. conduct research |
| 252. close scrutiny | 292. (be) commonly associated | 332. conduct (a) study |
| 253. (be) closely allied | 293. (be) commonly called | 333. conduct (a) survey |
| 254. (be) closely associated | 294. (be) commonly encountered | 334. conduct (an) analysis |
| 255. (be) closely connected | 295. (be) commonly found | 335. conduct (an) interview |
| 256. (be) closely linked | 296. (be) commonly known | 336. conflict resolution |
| 257. (be) closely related | 297. (be) commonly referred | 337. conflicting interests |
| 258. closely resemble | 298. (be) commonly used | 338. consider appropriate |
| 259. (be) closely tied | 299. communicate effectively | 339. consider relevant |
| 260. (upon, on) closer examination | 300. comparative analysis | 340. consider (a) possibility |
| 261. (on/upon) closer inspection | 301. comparative research | 341. consider (an) aspect |
| 262. closer look | 302. comparative study | 342. consider (an) issue |
| 263. cognitive ability | 303. compelling argument | 343. consider (the) impact |
| 264. cognitive development | 304. compelling evidence | 344. consider (the) implications |
| 265. cognitive skills | 305. compelling reason | 345. consider (the) role |
| 266. collaborative learning | 306. competitive market | 346. considerable amount |
| 267. collect data | 307. competitive pressure | 347. considerable attention |
| 268. collect information | 308. complete (a) task | 348. considerable debate |

单词 – 固定词组搭配

- | | | |
|--------------------------------------|------------------------------|----------------------------|
| 349. considerable degree | 388. core element | 428. critically evaluate |
| 350. (in) considerable detail | 389. core issue | 429. crucial difference |
| 351. considerable effort | 390. core skills | 430. crucial factor |
| 352. considerable evidence | 391. core value | 431. crucial importance |
| 353. (to a) considerable extent | 392. correct interpretation | 432. crucial part |
| 354. (be of) considerable importance | 393. correct (an) error | 433. crucial point |
| 355. considerable influence | 394. counter argument | 434. crucial question |
| 356. considerable interest | 395. cover (a) range | 435. crucial role |
| 357. considerable research | 396. cover (a) topic | 436. cultural activity |
| 358. considerable support | 397. cover (an) area | 437. cultural aspect |
| 359. considerable variation | 398. create conditions | 438. cultural attitudes |
| 360. consistent pattern | 399. create opportunities | 439. cultural background |
| 361. consistent results | 400. create problems | 440. cultural boundary |
| 362. constant rate | 401. create (an) environment | 441. cultural change |
| 363. constituent elements | 402. create (an) impression | 442. cultural context |
| 364. constituent parts | 403. create (an) opportunity | 443. cultural differences |
| 365. contain information | 404. creative process | 444. cultural dimension |
| 366. contain (an) element | 405. creative thinking | 445. cultural diversity |
| 367. contemporary debate | 406. creative work | 446. cultural factors |
| 368. contemporary issue | 407. criminal offence | 447. cultural heritage |
| 369. contemporary life | 408. critical analysis | 448. cultural history |
| 370. contemporary society | 409. critical approach | 449. cultural identity |
| 371. contemporary world | 410. critical attention | 450. cultural influence |
| 372. contextual factors | 411. critical essay | 451. cultural institution |
